We will process your request and contact you to begin your service. Read all terms and conditions of this Agreement before signing, opening any software media package or accessing the Tech Data Canada Web Site or any Informational Database. By opening any software package or accessing the Web Site or Informational Database, your organization ("you") agree to these terms and conditions, as modified or amended from time to time and each time you access the Database, Software or the Site, you re-confirm your agreement. If you do not agree to these terms and conditions, you may elect not to access the Database or Site, and must, if applicable, return any accompanying software product container and its contents, including any unopened software media package, to Tech Data Canada. This Agreement is effective from the day you initially use or install the Software, access the Data-base or Site until such time as you cease to be an authorized reseller of Tech Data Canada.

(ii) Software. The Software, if any, includes all concepts, users and program interfaces and structures, functionality, computer code and other technology inherent in all computer software programs and all copies of the software supporting any of Tech Data Canada's electronic commerce tools and products. You may make and maintain one copy of the Software per employee making authorized use of the Software.

(iii) Databases or Informational Databases. The Informational Databases or Database includes all information accessible from Tech Data Canada through the Software or the Site, which may include, but is not limited to, data structures, technical and other specifications, pricing, advise, and other data and information. 2. Security. You must enter a valid user ID and password ("access codes") to use certain Software, access some of the Databases or access the Web Site's secure areas. It is your sole responsibility to monitor use of these access codes for all purposes, including, but not limited to ordering. You accept all responsibility for the security of your user ID and password, and utilization of the Software, Informational Databases or Web Site via the access codes. All orders placed using the user ID and password shall, for all purposes, be deemed to be in writing signed by you and will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form.

4. Terms and Conditions of Sale. Unless otherwise stated in an express written agreement signed by an officer of Tech Data Canada, the terms and conditions contained on Tech Data Canada's

written invoices, the catalog, and available on line, as amended from time to time, shall apply to all transactions initiated via the Software or through the Web Site.
